To Whom it May Concern,

I have used Audio Command System's equipment and service for the last five to six years in both Florida and New York. They have the most up-to-date equipment. They are able to integrate television, music, lighting, etc. through Crestron, which is also an excellent system. Their remotes are easy to use and their service level has been excellent.

I would highly recommend ACS as a vendor in these areas.

Sincerely,

A handwritten signature in black ink that reads "Leonard Feinstein". The signature is written in a cursive style with a large initial "L" and a stylized "F".
